TYPES OF COFFEE

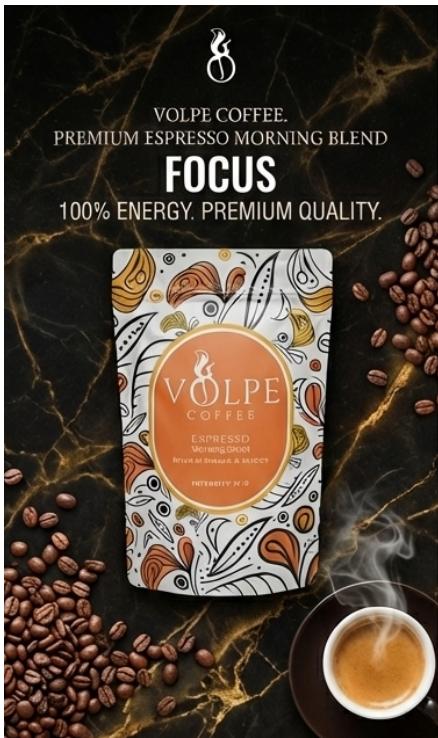

Instant Powdered chocolate Drink

An aromatic instant chocolate drink with a rich cocoa flavor. Easily dissolves in hot or warm milk, suitable for daily consumption by the whole family.

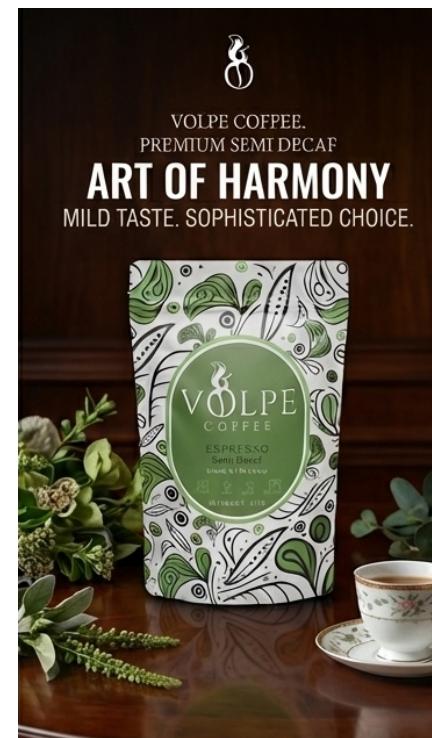

VOLPE coffee (Premium segment)

VOLPE Premium Espresso Morning Blend — "FOCUS"
The perfect choice for an active start to the day.
Taste Description: A powerful, invigorating espresso for a productive morning.
Quality: Top quality grains for maximum effect.

VOLPE Premium Semi Decaf — "THE ART OF HARMONY"
A sophisticated choice for those looking for balance. This low-caffeine coffee allows you to enjoy your favorite drink at any time of the day without overloading your body.
Taste description: Mild, enveloping taste with rich aroma.
Feature: Semi Decaf (decaf blend) is the perfect compromise between taste and tranquility.

VOLPE Premium House Blend — "WAKE UP WITH CHARACTER"
A proprietary blend for true coffee connoisseurs who don't compromise. This is the choice of gourmets who appreciate the depth and personality in each cup.
Taste Description: Deep, complex flavor for true espresso enjoyment.
Quality: The result of a careful, expert selection of the best coffee beans.
